 - i) Bodily injury \$1,500,000
 - ii) Property Damage \$1,500,000

Owner shall be named as an additional insured on the certificates of insurance. Such policies shall not be canceled or allowed to expire nor material changes permitted, until Contractor has provided at least thirty (30) days written notice to Owner.

- 11. **Changes to the Work and Contract Amendments.** Changes to the Work, price and other contract amendments shall be in writing, signed by both parties and made in accordance with Owner Public Contracting Rules 137-049-0160 and 137-049-0910.
- 12. **Warranty.** This project is warranted against any and all failures for a period of two (2) years from the date of completion. Contractor agrees to be responsible for all such repairs. If Contractor does not effect repairs within thirty (30) days after notice provided by the Owner, the Owner may effect repairs and bill Contractor. Contractor shall be liable for payment of all such sums, as billed.

13. **Suspension of Work, Termination Delay.**

- a) If Contractor is adjudged as bankrupt or insolvent or if it makes a general assignment for the benefit of its creditors, or if a trustee or receiver is appointed for the Contractor or for any of its property, or if it files a petition to take advantage of any debtor's act or to reorganize under bankruptcy or applicable laws, or if it repeatedly fails to supply sufficient skilled workmen or suitable material or equipment, or if it repeatedly fails to make prompt payments to subcontractors for labor, materials, or equipment, or if it disregards laws, ordinances, rules, regulations, or orders of any public body having jurisdiction of the Work, or if it disregards the authority of the Owner's representative or if it otherwise violates any provision of the contract documents, then the Owner may, without prejudice to any other right or remedy, after giving the Contractor and its surety a minimum of five (5) days' notice from delivery of the written notice, terminate the services of the Contractor and take possession of the Project and all materials, equipment, tools, construction equipment, machinery thereon owned by Contractor and finish the Work by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the work is finished. If the unpaid balance of the contract price exceeds the direct and indirect costs of completing the project, including compensation for additional professional services, such excess shall be paid to the Contractor. If the costs exceed such unpaid balances, the Contractor will pay the difference to the Owner. Such costs incurred by the Owner will be determined by the Owner and incorporated in a change order.
- b) Where the Contractor's services have been so terminated by the Owner, the termination shall not affect any right of the Owner against the Contractor then existing or which may thereafter accrue. Any retention or payment of monies by the Owner due the Contractor will not release the Contractor from compliance with the Contract Documents.
- c) After five (5) days from delivery of written notice to the Contractor, the Owner may, without cause and without prejudice to any other right or remedy, elect to abandon the Project and terminate the Contract. In such case, the Contractor shall be paid for all work executed and any expense sustained plus reasonable profit.

14. **Indemnification.** To the fullest extent permitted by law, the Contractor shall indemnify, hold harmless, and defend Owner and its representatives, officers, directors, and employees from any loss or claim made by third parties, including legal fees and costs of defending actions or suits resulting directly or indirectly from Contractor's negligent performance and provision of materials and/or fault of Contractor, its employees, representatives, or subcontractors. If the loss or claim is caused by the joint concurrent negligence or other fault of Owner and Contractor, the loss or claim shall be borne by each in proportion to the degree of negligence or other fault attributable to each.

Contractor shall defend Owner from claims covered under this indemnification section at Contractor's sole cost and expense until such time (1) as an arbitration panel or a court of competent jurisdiction determines that Owner is liable in whole or in part for the loss or claim caused by Owner's negligence or (2) until Owner and Contractor mutually agree to allocate the liability.

15. **Miscellaneous.**

- a) No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the parties sought to be bound; and specifically but without limitation, monies which may become due and monies which are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law) and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.
- b) This Contract shall be binding upon all parties hereto and their respective partners, successors, heirs, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

16. **Arbitration.** If any disputes, disagreements or controversies arise between the parties pertaining to the interpretation, validity, rescission or enforcement of this Contract, the parties shall, upon the request of either party, submit such dispute to binding arbitration. Except as otherwise provided in this Contract, arbitration shall be requested by delivering to the other party a written request for arbitration. Within ten (10) days of receipt of such request, the parties shall select a mutually agreeable arbitrator and designate mutually agreeable rules of arbitration. If the parties cannot agree upon an arbitrator within ten (10) days, an arbitrator may be appointed by the Circuit Court for the County in which Owner is located, upon the request of either party submitted in accordance with Oregon's Uniform Arbitration Act, ORS 36.600, et seq. If the parties have not designated mutually agreeable rules of arbitration at such time as the arbitrator is appointed, the arbitrator shall have the discretion to adopt rules for the arbitration, and the arbitrator's decision shall be binding upon the parties. All arbitration shall take place in Lincoln County, Oregon unless the parties both agree to have the matter arbitrated elsewhere.

17. **Attorney Fees.** If suit, action or arbitration is brought either directly or indirectly to rescind, interpret or enforce the terms of this Contract, the prevailing party shall recover and the losing party hereby agrees to pay reasonable attorney's fees incurred in such proceeding, in both the trial and appellate courts, as well as the costs and disbursements. Further, if it becomes necessary for Owner to incur the services of an attorney to enforce any provision of this Contract without initiating litigation, Contractor agrees to pay Owner's attorney's fees so incurred. Such costs and fees shall bear interest at the maximum legal rate from the date incurred until the date paid by losing party.

THIS CONTRACT is effective on the 11th day of April, 2016.
